Svetlana Chmakova : Dramacon Ultimate Edition manga (Hard Cover) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dramacon Ultimate Edition manga (Hard Cover):

2 of 2 people found the following review helpful. Love this little mangaBy wingedLove this little manga. I had read it long ago and remembered it fondly. Finally bought it and within the first ten pages was laughing so hard I almost lost my place. Full of 'drama' but stuffed to the brim with comedy (meta and otherwise). All three books - plus SO MANY extras - in one binding.0 of 0 people found the following review helpful. Finally able to afford this!By LauraArrived

earlier than estimated delivery and in perfect condition! So happy to finally reread this series after 10 years. So much has happened in 10 years so reading it for the first time as an adult really put things into perspective. It's a lot more spastic than I remember and the main characters are far from perfect, I used to think they were so cool As a kid! But it's still a good series, I'm happy to own it. 13 of 13 people found the following review helpful. Funny shojo manga By Luckee This is a great shojo manga! Even though the author isn't Japanese, you can tell that she is greatly influenced by shojo manga: sparkly backgrounds, shojo-style art, teenage angst, hot-guy-who-falls-for-average-girl plot, and the list goes on. But don't let that fool you into believing that this is an average story. There is definitely a mix of cultures, and it's a refreshing break here. The heroine is very humorous and the art is impeccable. For those of you who are not familiar with Dramacon, this is about a girl's relationship with an enigmatic guy she meets at a convention over the span of three years (hence the three volumes). Included in this edition are all three volumes of the series, several pages of extras, and a few glossy full-color pages of pictures, including the cover art for all three of the smaller volumes. This is a great buy, especially for being hardcover as well. You won't regret it!

Celebrate the world of Dramacon with this ultimate collector's edition! The hardcover complete collection features previously unpublished chibi comics, a new cover, creator interview, early story concepts, and more!
