CM Punk, Cullen Bunn : Drax Vol. 2: The Children's Crusade before purchasing it in order to gage whether or not it would be worth my time, and all praised Drax Vol. 2: The Children's Crusade:

0 of 0 people found the following review helpful. Four Stars By darren albertfun read for gotg fans

Annihilus. Ultron. Fin Fang Foom. They were all pieces of cake. Now, Drax prepares to take on the toughest challenge of his life... a gaggle of (partially traumatized) alien children who need to get back to their home planets. Don't worry!

Drax will find other stuff to destroy. Like maybe...nap times? Homework? Poo poo diapers?COLLECTING: DRAX 6-11
