A Visual JourneyBy AKA SullyArtist/Writer David Mack has gifted us another beautiful book bursting with Paintings, concept art, sketches, drawings and personal narrative. Check out his art book Reflections too.Art helps us to appreciate and understand the aesthetics of life through various forms that intoxicates the senses; Inspire and love! Dream Logic reads like a personal sketchbook, giving the book an intimate and vulnerable feel, through the eyes of one of the most talented artists around.I became a fan of his from Marvel comics Alias: Aka Jessica Jones, where his work on the covers were brilliant. I also suggest checking out the graphic novel Kabuki, which he is artist, writer and series creator! A journey worth investing in.1 of 3 people found the following review helpful.
