Arthur Wyatt, Henry Flint, Paul Davidson, Matthew Smith : Dredd: Urban Warfare before purchasing it in order to gage whether or not it would be worth my time, and all praised Dredd: Urban Warfare:

2 of 2 people found the following review helpful. I read several if the other reviews and was delighted to discover that this was themed as a sequel ...By Ash McCumberBought this as a gift for my boyfriend for christmas. We are both huge dredd fans! I read several if the other reviews and was delighted to discover that this was themed as a sequel to the dredd remake that we both love so much. The quality is phenomenal and the art is as gritty as we could have hoped! Hopefully we will see more to come!0 of 0 people found the following review helpful. the book was good and im gladd i was able to contributeBy CustomerIm only putting 5 stars because I want there to be a second Dredd movie to be made. the book was good and im gladd i was able to contribute. but it was not really part 2 from the movie it was more of a series of the story of the line. I was really looking for a follow up from the movie hopefully a sneek peak of some sorts. but its not in the covers of this hard cover and this book is all of about 50 pages of comic book style art. i

liked it but you can find this easy read with an apple app from 2000 AD. for free. waiting for a part 2 and saving my money next time!0 of 0 people found the following review helpful. Worth a readBy Ken OwensInteresting follow-up/complement to the Karl Urban-led Dredd movie. Watch that if you haven't yet.

The complete comic-book sequel to the hit movie DREDD. Featuring three action-packed stories from the critically acclaimed cinematic world of DREDD. In Underbelly Ma-Mas death has led to a power vacuum and now other criminal gangs in Mega-City One are trying to fill the gap. When a number of corpses are discovered in a rad-pit, the bodies are all revealed to be mutants. Could the dead be connected with an outfit smuggling illegal refugees into the city from the Cursed Earth? Judge Dredd once again teams up with Psi-Judge Anderson as they scour the underworld for the perps responsible!

About the Author Arthur Wyatt, the breakout writer of many 2000 AD and Judge Dredd Magazine stories. Henry Flint, acclaimed Judge Dredd artist. Paul Davidson, Xmen Legacy and Judge Dredd artist.
