R.A. Salvatore, Geno Salvatore : Dungeons Dragons: The Legend of Drizzt - Neverwinter Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised Dungeons Dragons: The Legend of Drizzt - Neverwinter Tales:

0 of 0 people found the following review helpful. The artwork is pretty incredible. Book arrived in perfectly beautiful shape By Karen BI admit it! I'm a Drizzt fanatic! The artwork is pretty incredible. Book arrived in perfectly beautiful shape. 4 of 4 people found the following review helpful. Drizzt in comic form rocks! By Chad Thomas Valdes Drizzt has always been a favorite character of mine. Seeing him again in comics makes it that much better. This is also a brand new story that rifts off the events of the Neverwinter Trilogy (new at the time this was released). Good character and action scenes as is expected. I really dug this newest entry into the Drizzt story-line and highly recommend it for any high fantasy loving person. 0 of 0 people found the following review helpful. Probably not worth five stars By Customer Graphic novels are a poor vehicle for Salvatore's work. His strength is in his rich character

development....impossible in comics. The story was great but I found the characters rather 2 dimensional (pun intended). Pwent just wasn't believable and is the main weakness of this work. The artwork is spectacular and the reason I give this five stars instead of three.

The MOST POPULAR CHARACTER from the MOST POPULAR FANTASY WORLD of all time comes to life in his FIRST ORIGINAL comic book tale! Drizzt leads this massive thriller into R.A. Salvatore's next blockbuster novel! Drizzt and his companion Dahlia hunt for something that seems part vampire and part elite dwarven warrior and must find out how the evil lich Valindra Shadowmantle and her minion Korbin Dorcrae factor into the mystery.

About the Author Robert Anthony Salvatore, who writes under the name R. A. Salvatore, is an American author best known for The Demon Wars Saga, his Forgotten Realms novels, for which he created the popular character Drizzt Do'Urden, and Vector Prime, the first novel in the Star Wars: The New Jedi Order series. He has sold more than 15 million copies of his books in the United States alone and twenty-two of his titles have been New York Times best-sellers. Robert Salvatore was born in Leominster, Massachusetts, the youngest of a family of seven. A graduate of Leominster High School, Salvatore has credited his high school English teacher with being instrumental in his development as a writer. During his time at Fitchburg State College, he became interested in fantasy after reading J. R. R. Tolkien's The Lord of the Rings, given to him as a Christmas gift. He developed an interest in fantasy and other literature, promptly changing his major from computer science to journalism. He earned a Bachelor of Science Degree in Communications/Media from Fitchburg. He earned this degree in 1981 and later a Bachelor of Arts in English. Before taking up writing full-time, he worked as a bouncer, an experience to which he attributes his fierce and vividly described battle scenes. In the fall of 1997, his letters, manuscripts, and other professional papers were donated to the R.A. Salvatore Library at his alma mater, Fitchburg State University in Fitchburg, Massachusetts.
