**Andrew Dabb, R.A. Salvatore : Dungeons Dragons: The Legend of Drizzt Volume 5 - Streams of Silver** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dungeons Dragons: The Legend of Drizzt Volume 5 - Streams of Silver:

After years of wandering, Drizzt Do'Urden has finally found peace in the bleak outpost of Icewind Dale. But Drizzt must now begin a new journey, to fulfill an oath to his friend, the dwarf Bruenor to help him in his quest to find the ancestral dwarven stronghold of Mithral Hall. Adapted by Andrew Dabb (Supernatural), from R.A. Salvatore's famous book *Streams of Silver*, with art by the prolific Val Semeiks.

**About the Author** Robert Anthony Salvatore, who writes under the name R. A. Salvatore, is an American author best known for *The Demon Wars Saga*, his *Forgotten Realms* novels, for which he created the popular character Drizzt Do'Urden, and *Vector Prime*, the first novel in the *Star Wars: The New Jedi Order* series. He has sold more than 15 million copies of his books in the United States alone and twenty-two of his titles have been *New York Times* best-sellers. Robert Salvatore was born in Leominster, Massachusetts, the youngest of a family of seven. A graduate of Leominster High School, Salvatore has credited his high school English teacher with being instrumental in his development as a writer. During his time at Fitchburg State College, he became interested in fantasy after reading J. R. R. Tolkien's *The Lord of the Rings*, given to him as a Christmas gift. He developed an interest in fantasy and other literature, promptly changing his major from computer science to journalism. He earned a Bachelor of Science Degree in Communications/Media from Fitchburg. He earned this degree in 1981 and later a Bachelor of Arts in English. Before taking up writing full-time, he worked as a bouncer, an experience to which he attributes his fierce and vividly described battle scenes. In the fall of 1997, his letters, manuscripts, and other professional papers were donated to the R.A. Salvatore Library at his alma mater, Fitchburg State University in Fitchburg, Massachusetts.
