Earth and its greatest champions have never felt so familiar or so alien in this alternate take on the DC Universe by writer DAN ABNETT (AQUAMAN, GUARDIANS OF THE GALAXY) and artist JORGE JIMNEZ (SUPERBOY, EARTH 2: WORLDS END). Green Lantern, Superman and a World Army cabinet of Wonders have assumed leadership roles in an effort to unite the cities of Earth-2 whether the population of the still-rebuilding world likes it or not. But the growing sentiment against metahumans may soon prove moot. Earth-2 is a geologically barren world, unable to produce vital natural resources for its newly arrived inhabitants. And the resources that do exist are rapidly dwindling, prompting cities to wage all-out war against each other. Even as the Wonders struggle to prevent the last of a civilization from renewing its violent history, Batman and his allies take the battle to the mysterious Mist, who profits from the racketeering of power cells steeped in toxic waste. Unfortunately for them, he also recruited a Wonder of his own in Hourman. Meanwhile, Hawkgirl may have uncovered Earth-2's greatest threat: the world-changing intentions of an Amazon race resurrected by Wonder Woman's daughter, Fury! Collects EARTH 2: SOCIETY #8-12.

every chapter of the Injustice comic is so entertaining and so well-crafted that it's impossible to not enjoy the ride. Tech Times Plenty of action, tension, and the sort of effortless but cinematic storytelling that has distinguished Taylor's writing all along.IGN About the Author Dan Abnett lives and works in Maidstone, Kent. After graduating from Oxford, he worked for a while as an editor of comics and children's books before turning to writing full time. In the dozen or so years since then, he has written for such a diverse range of characters--including Scooby Doo, Thunderbirds, Conan the Barbarian, The X-Men, Johnny Bravo, Batman, Rupert the Bear, Dr Who, Mr. Men, The Terminator and Postman Pat--that he is now clinically bewildered. He created the popular series Sinister Dexter, which he continues to write, along with other strips, for 2000 A.D., and has helped rejuvenate RESURRECTION MAN for DC Comics.
