The new wonders decide to join in on a world army mission to turn public perception about them, which of course does go as planned. I like how Flash, Lantern and Hawkgirl still don't work well together, as they

I assume that dc just needed a certain page count, and tossed this in for that reason. I would have preferred if they included issue 17 instead.0 of 0 people found the following review helpful. in the third story arch, robinson sets up the ...By Mark Andersonin the third story arch, robinson sets up the biggest story to date, with steppenwolf leading the charge to take over earth 2 for himself. atom smasher returns to the pages of the book, along with the introduction of mr. miracle, big barda, captain steel, red arrow, and, of course, the new batman of earth 2. and the final pages of the main story feature a major shock, which led into the next story arch. the volume concludes with a story reintroducing desaad. this is a book for both fans of earth 2, and fans of the new gods.0 of 0 people found the following review helpful.
