Jonathan Hickman : East of West Volume 3: There Is No Us before purchasing it in order to gage whether or not it would be worth my time, and all praised East of West Volume 3: There Is No Us:

1 of 1 people found the following review helpful. Weird, Wonderful, Beautiful, and yet Hard to ReadBy Zac HanscomEast of West, Vol. 3 is the story of the American nations at war. It takes place, like the two previous volumes, in an alternate America which has been divided into six or seven different nations. Of course, it can be seen as a metaphor for America in the 21st century, divided into factions along racial and geographic lines. And of course,

there is Death, along with the Beast, and the Four Horsemen. Quite a lot is going on. Weird, wonderful, beautiful, and yet hard to read, East of West, Vol. 3 epitomizes what an adult comic should be like. War comes at just the right time, as there are too many characters to keep track of, too many situations. The series is one that you should read and reread. It's very good, even if this isn't as good as the first two volumes. I still liked it very much and look forward to Vol. 4. ****1/40 of 0 people found the following review helpful. SatisfiedBy Jonathan K.As described, Satisfied customer1 of 1 people found the following review helpful. Death from aboveBy Brad WellsIt doesn't get any better than Hickman on East of West. Dragotta's art is a perfect compliment to this sci-fi western.

"East of West has proven to be one of the most compelling new comic series on the market... its growing number of fans will not be disappointed." - BooklistThis is the world. It is not the one we wanted, but it is the one we deserved. The Four Horsemen of the Apocalypse roam the Earth, signaling the End Times for humanity, and our best hope for life, lies in DEATH!In Volume 3 of this bestselling series, "There is no us" sees the breaking apart of the future-scape of America as the world races forward towards the apocalypse.
