It is a dark end of the world thriller where the protagonist is death himself. The pace is outstanding other than having to wait for the next one to come out.1 of 1 people found the following review helpful. growing plot.0 of 0 people found the following review helpful. Best Series NowBy Kindle CustomerContinues to amaze in every way. The writing, the art, the storytelling - - everything is perfect. And the story seems to be reaching towards an epic end.

The fifth volume of EAST of WEST marks the last days of peace before the final great war of the Apocalypse.
