**Jonathan Hickman : East of West Volume 6** before purchasing it in order to gage whether or not it would be worth my time, and all praised East of West Volume 6:

1 of 1 people found the following review helpful. We would tell you to PRAY, but it wouldnt do ANY GOOD. You have EARNED what is coming to you. By Grafl started reading East of West issue by issue, but had to put buying single issues out of the equation. This was a great way to get back into the world and the story just keeps getting better. If you have any interest in Apocalyptic or Western or Sci-Fi, i would recommend this. I personally was a little

leary in the beginning due to it described with the word "Western" by someone at my local comic book shop. It is a great story that keeps you immersed and keeps you wanting to know more. The artwork by Dragotta is great and Hickman is a great world and story builder/creator. 0 of 0 people found the following review helpful. I got into this series because of the artwork and ...By Richard C. I got into this series because of the artwork and premise - and while the art continues to be outstanding and visually appealing, the story line is convoluted and seems to bounce around without a whole lot of consistency. None of the characters are particularly likeable. There's a lot of violence for the sake of violence. But if you've gotten as far as volume 6, you're probably already on board. 0 of 0 people found the following review helpful. Give Me More By M. DeFoe Just a beautiful and fantastic series. Can't wait for the next one. Rooting for Death to overcome. Aint that a hoot.

The smashing conclusion to the second year of the Apocalypse. Everything turns in on itself. The snake eats its tail. The old eat the young. A new chapter of the amazing End Times saga by superstar creators JONATHAN HICKMAN and NICK DRAGOTTA. Collects EAST OF WEST #25-30
