Sequel to the Postal series - very goodBy PaulAllardIf you haven't read the Postal series, then this will be an eye-opener. There is some explanation at the beginning but it's worth reading Postal first if you can. The main story deals with four rogue FBI agents out for revenge against Thornton. There is also a reprint of

Postal #1, the Tithe #1 and Think Tank #1 to add some context. As usual, this is engaging, well-produced and well worth a look. Highly recommended.

Top Cow combines three of its most provocative titles (THINK TANK, THE TITHE, POSTAL) in an unflinching fable of revenge and consequence. FBI Agent James Miller (THE TITHE) follows a sociopath into the off-the-grid town of Eden, Wyoming on a personal mission of vengeance. The price of this vigilante justice will be paid in blood, and both Eden and James Miller will never be the same. Collects EDENS FALL issues 1 through 3, as well as the first issues of THINK TANK, THE TITHE, and POSTAL!
