**Kate Leth : Edward Scissorhands: The Final Cut** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Edward Scissorhands: The Final Cut:

All 10 issues of the critically acclaimed series by writer Kate Leth and artist Drew Rausch are collected in this deluxe,

oversized hardcover. Once adored by the Boggs family and the neighborhood that welcomed his arrival, Edward Scissorhands intervening years of reclusion have not been kind to him. But now, decades later, his lost-love Kim has her own family, and her granddaughter is about to discover the wonder her mother wishes she could forget. SciFi Pulse says "Beautiful, sad, hopeful, and scary. Everything you could want and more. The highest possible recommendation."
