Daniel Clowes : Eightball Postcards before purchasing it in order to gage whether or not it would be worth my time, and all praised Eightball Postcards:

Ten superiorly creepy color postcards bound in a handy book formwith perforations and everything! Covers from issues of Eightball and Like a Velvet Glove Cast in Iron, plus other miscreants and misanthropes. This is the thing for the Daniel Clowes fan who has it all: ten full-color postcards illustrated in Clowes' distinctive and disturbing style that made him so dang famous. Send one or two to the Dan Pussey in your life.
