Elephantmen 2260 story is so creatively ambitious. BMMM! Starlings story will have you scratching your head. I had to stop and think about what I had seen and read to make sure I was understanding what had happened. This is one of Starlings BEST! If you're a Starlings Elephantmen fan, you will

NOT want to let this trade slip through your fingers. Mary Fortner Smith Comics.....Resistance is Futile!

A new arc, a new slim trade paperback format for Elephantmen, and, at \$9.99, a great opportunity for new readers to start reading the book they've heard so much about! Jack Farrell is a private detective who never gave a second thought to the Elephantmen until he was paid to.
