This newest collection is as amazing as all the stories have been. The artwork and, of course, the stories will keep me reading until the last pages are complete. Then I will reread them, over and over.1 of 1 people found the following review helpful. Love the series!By carol davisI've always been an avid

collector of the Elfquest series. When I read this book, I realized that if one was to read this book before reading the Volume one, they would be lost so please read the first one before reading this book. There were some surprises that I won't list here for fear of spoiling the story but some are pleasant surprises and others are not so pleasant. I ended the book by being worried about Cutter! 0 of 0 people found the following review helpful. Best comic ever By bekkibest Best comic ever. If you haven't yet, read Elfquest. It'll open your mind, expand your heart, and shape your actions for the better. Start from the beginning to fully appreciate and understand Final Quest.

It is time. Sunstream, son of Wolfrider chief Cutter Kinseeker, finally fulfills his destiny and becomes the psychic link among all the elfin tribes scattered across the World of Two Moons. At long last, the seeds planted 20,000 years ago in the original, classic Quest can come to fruition. But a devastating secret, long hidden in plain sight, is also moving into the light. When the full impact of this revelation becomes known, it will affect the entire elfin race forever. Volume 2 collects Wendy and Richard Pini's issues #7-12 of The Final Quest, the newest adventures of the Wolfriders! About the Author Wendy Pini was born Wendy Fletcher in San Francisco. Growing up on an isolated ranch in Gilroy, California, Wendy's imagination was fueled by all forms of fantasy and mythology. At an early age she began spinning her own tales of elves, monkey-gods, aliens and sorcerers. While her artistic talents were influenced by turn-of-the-century illustrators, film and TV animation, her storytelling abilities evolved from a love of Shakespeare, Japanese history and legend, modern fantasy and the epic poetry of the Ramayana. In 1977, a deeply personal project called Elfquest was born. As the first continuing fantasy/adventure graphic novel series in America to be co-created, written and illustrated by a woman, Elfquest became a phenomenon in the comics industry. Appealing to comics and sci-fi/fantasy fans alike, it attracted a unique and unprecedented audience, an equal mix of male and female readers. Over three million copies of the collected graphic novel volumes have been sold to date. The author lives in Los Angeles, CA..
