Thane Seeing the dimensions written down in the listing does not properly prepare you to hold this absolutely gorgeous book in your hands. I'm still marvelling at the size. As I emailed to Maziplay, this isn't a coffee table book - it's the bloody coffee table! I will enjoy this book for many years to come. The shipping from Maziplay was stellar. The book was well protected and arrived with only a small dent in the top of the front cover. I don't care - I didn't get this for its potential resale value, I got it to read and enjoy. And so I will. 0 of 0 people found the following review helpful. I'm very happy with this deal.

In 1978, Wendy and Richard Pini first published what would become one of the most revered classic fantasy epics in comics. Today, ElfQuest continues to capture the imaginations of readers of all ages, as Chief Cutter and his Wolfriders battle savage humans, forge lasting alliances, and discover strange new lands in this ultimate fantasy adventure!This one-of-a-kind gallery edition collects the first five issues of The Original Quest, Fire and Flight, in their gorgeous original glory. Each page is carefully scanned from Wendy Pini's original art to capture every stroke and detail. At 12 1/8" by 17", it's as close to holding her original art as a fan can get.
