I would definitely start with the first book, which contains volumes 1 and 2, as this is a continuation. Cute story. Of course, one of the men denies an attraction at first, but the other wins him over. Kind of a common yaoi theme. And sometimes the drawings are a little off. But the steamy love scenes are worth it! Every so often genitalia will be censored, but most of the time it is left graphic. Not sure why, maybe it's the artist's choice.0 of 0 people found the following review helpful. By MFOMG best yaoi manga ever3 of 3 people found the following

review helpful. Only for Android phone Kindle! Are You Kidding Me??By CustomerOne of the best yaoi mangas out there and they are incompatible for Kindle Fire, Kindle PC, and even the original Kindle Reader??? It is just compatible for Android phones!This is ridiculous! The story deserves 5 stars, but the limited format is indeed a bad joke!

Adult film stars Iwaki Kyouzuke and Katou Yoji continue their romance with a ten-day sexual romp that not only leaves them exhausted but also starts to affect Iwakis work. To make matters worse, Iwaki decides that nows the time to confess his love for the feisty blond, something Katou is not ready to hear. The tension in their relationship increases when the two are selected to play the leads in competing drama series, causing them to spend even more time apart. Will these two crack under the pressure or will absence make the heart grow fonder? Reads R to L (Japanese Style) for mature audiences.
