**Rob Reger : Emily and the Strangers Volume 1: Battle of the Bands** before purchasing it in order to gage whether or not it would be worth my time, and all praised Emily and the Strangers Volume 1: Battle of the Bands:

However, Emily comes across as bitchy, posy, and annoying. Is she still 13 years old?? She looks like she's wearing a ton of eyeliner which seems so un-Emily. I didn't find the snarky, unique girl with the devil may care attitude, which I love about Emily the Strange. Too much emphasis on making her pretty rather than interestingly complex as in past books, which is why the storyline just fell flat for me.0 of 0 people
