**Kaoru Mori : Emma, Vol. 3** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emma, Vol. 3:

0 of 0 people found the following review helpful. Love this series! By Izabella D. This manga has been out of print for a long time, and to have a multi volume book with all the original cover illustrations is really nostalgic. Beautifully bound. Happy to have it. 0 of 0 people found the following review helpful. Five Stars By JY Loved it! 0 of 0 people found the following review helpful. Engaging series By blueotter This series by Kaoru Mori is well-drawn, with appealing characters and a hard-to-resist forbidden romance. Set in Victorian England, it features Emma, a bright, compassionate, composed maid, and William, a reluctantly dutiful young gentleman. They fall heavily in love, but

William's family, unsurprisingly, will not tolerate the relationship. Emma and William try to pursue separate lives, but fate has other things in mind.

Despite each resolving to put the other from their minds, Emma and William's unexpected meeting has rekindled the embers of their love for each other. Though with William engaged to the daughter of a viscount--an ideal match in society's view--the two will face unbending opposition and many difficult decisions if they wish to pursue a future together. Mrs. Trollop is sympathetic to their plight, but even though she is fond of Emma and wishes every happiness for her son, she knows firsthand how unforgiving the upper classes can be to those who do not adhere to their standards...

About the AuthorKaoru Mori's previous series, Emma, about a maid and a gentleman in Victorian England, has been lauded by Library Journal and was named to the YALSA Great Graphic Novels list. A Bride's Story has only broadened her fan base in Japan and the U.S. with its elegant style and delicate story.
