Adam Warren : Empowered Unchained Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Empowered Unchained Volume 1:

9 of 10 people found the following review helpful. Nothing here not to like!By Ronald L. RussellI've been a reader of the Empowered series since the first volume, however, I had not read the "Specials" which had been released between some of the volumes. "Unchained" collects all of the Specials under one cover, and it's more of the funny, tongue-in-cheek humor poking the superhero genre. Since these stories were released outside the ongoing narrative found in volumes 1-8, there isn't much connectivity between each story, they are more incidental things going on in the lives of Emp and her friends. Also, several guest artists were invited to contribute to some of the tales, and it's interesting to see how they interpret the characters. Nothing here not to like, highly recommended for fans of the series.3 of 3 people

found the following review helpful. Some great extras for Empowered fans
By RoboGriffey
Some great world building one shots of the people around emp. Particularly the Maid Man. and Ninjette get some backstory. Plus lots of other often full color goodies. These are the single issue one shot side story comics bundled together for the first time. Great Empowered fun!
1 of 1 people found the following review helpful. Simply amazing.
By David Fox
A collection of one-shots drawn by other artists (though Warren does draw the opening and closing of each story), this collection fills in some of the background of the side characters, from the MaidMan to Ninjette. Simply amazing.

With every Empowered Special collected under one vast roof, Empowered Unchained sprays a searing shrapnel salvo of scintillating superhero satire, written by the almighty Adam Warren and illustrated by comicdom's most talented and feared makers of pictures heroic! Featuring graverobbing supervillains! Broom-swinging vigilantes! Slutty cyberangels! Animal crimebots! Boozy ninja! Angry spaceships! And more! And more! AND MORE!

About the Author
Adam Warren was born in 1967 and is an American comic book writer and artist who is most famous for his adaptation of the characters known as Dirty Pair into an American comic books. He is also known for being one of the first American commercial illustrators to be influenced by the general manga style. He has contributed to several Gen comics, worked as writer and character designer for the Marvel Comics series Livewires, and has done numerous freelance works. His two latest projects are Iron Man: Hypervelocity and Empowered.
