Jason Shawn Alexander : Empty Zone Volume 2: Industrial Smile before purchasing it in order to gage whether or not it would be worth my time, and all praised Empty Zone Volume 2: Industrial Smile:

0 of 2 people found the following review helpful. Five StarsBy Niall E O'DonnellArrived as promised. All good0 of 0 people found the following review helpful. Extremely dark and excellent seriesBy SpideyInteresting storytelling technique in this volume. We don't see Corinne or Hank for the first few issues. Instead, we're introduced to a married couple on holiday in Berlin. They get themselves into some trouble and Corinne and Hank accidentally come across

them while trying to destroy one of Oni's labs. The couple's story gets really dark but original.

Deadly bounty hunters, doomed lovers, and sharp teeth. Corinne and Hank come to Berlin targeting another of Oni's laboratories. They find more than they were bargaining for when they encounter the city's bloody subterranean secret. Collects EMPTY ZONE #6-10. - See more at:
