**Gengoroh Tagame : Endless Game** before purchasing it in order to gage whether or not it would be worth my time, and all praised Endless Game:

An instant classic from the masterBy JLAWith the publication of The Passion of Gengoroh Tagame and now Endless Game, english-language readers are finally able to hold in their hand(s) the incomparable work of Gengoroh Tagame. Unlike The Passion, Endless Game contains a single story, focusing on a young man's seduction into a world of sex show performances and prostitution. While there are certainly elements of coercion and humiliation, this is very different from Tagame's usual extreme BDSM work. There are no ropes, gags or torture. And in fact, as he states in the included notes on the story, the consensual nature of the sex represents food for thought in considering deeper themes.Of course the book is enjoyable on less cerebral levels as

well. While it might not have the intensity -- often brutal and horrific as it was -- of many of the oneshots in *Passion*, the sex scenes are prolific, imaginative and explicit. There is a gallery of compelling characters, drawn and brought to life with Tagame's vivid visual style, and filled out with well-translated and sometimes humorous dialog. And as a bonus, two lush color artworks -- more in keeping with Tagame's usual BDSM style -- are included as surprises on the inner covers. English-language readers are particularly privileged to have access to this book; as Tagame writes on his blog, the work is so recent that it has not yet been compiled and released as a book even in Japan. He has added extra pages, and most exciting, its European publication has allowed its beautiful art to avoid the mutilation by censorship that manga in Japan is subject to these days. A third english-language publication, *Gunji*, is planned for a 2014 release.

By Mark Douglas  
I've seen Tagame's work before, but much of it has been way too extreme for my taste, even repulsive. With this book he takes out all of the S M elements that were common in his work previously, and this makes the book much more accessible for the average reader. The drawings here are very well done, the storyline is fun and playful, and the sex depicted is hot. I enjoyed this book very much and I give it a high recommendation.

By Cedric Laval  
really really loved the story, it is very fascinating, and the art is superb.

Gengoroh Tagame is one of the most successful artists of bear manga. His work explores the issues of men's sexuality, domination, and submission. Tagame is celebrated around the world for his groundbreaking work, complete with masterful imagery and unbridled exploration of bondage, lust, passion, and romance.
