Explicit hentaiBy Beto Machado [NEVERENDS comic artist]Secret Plot is one of the best hardcore hentai ever.The art is fabulous, the best from Eros Comix. This book is a must have. Hentai was never this good. I've been a hentai fan from years now, and this still holds the title of the best hentai manga i've ever seen. Totally hardcore, it tells the story of two teachers who like to have fun with their students.Both of them are beautiful, sexy and hot women. They do everything and anything with women and man alike. But the story really shines when a well-endowed student comes by and becomes their little toy. The gigantic guy really turns this manga in a classic of hentai.

Follow two sex-mad highschol teachers as they subject their senior class to some "special" education.
