One of the best manga's that I've read in a long time By Bruce Lee One of the best manga's that I've read in a long time. I got introduced to it by a recommendation from the website where I read my mangas. I'm really happy on how it turned out. :D There is great characters with a great plot. :P I would like to recommend this for those who enjoy short series, with romance in it, and revelations. Try it out. :) 0 of 0 people found the following review helpful.

Evergreen manga By escarletl gonzalez guerra This is a great manga I love it. It was perfect in came in good condition and everything I love it very much probably gonna get volume 2 sooner!

JUST ADD WATER Born with a congenital heart disease, and thus unable to join in activities that are too physical, Manga Club Captain Yoshimatsu Hotaka can only watch through the club room's window whenever the school swim team practices. Hotaka is enamored with swimming ace, Awaya Niki. But sickly, shy and extremely introverted, he feels all he can do is pine for her from afar. Seeing her as a sort of Goddess of Summer, he feels he isn't even worthy to share the same air with Niki, much less approach her. But when the gym teacher asks Hotaka to attend a special, after-school swim class to make up for not participating during regular classes-a supposed to be one-on-one student teacher session which the swim team unexpectedly crashes-it sets into motion events that may, quite surprisingly, result into Hotaka and Niki actually becoming friends.
