An easy to recommend romantic mangaBy Robert FisherEvergreen came up on as a manga I might like, so I decided to check it out and it proved an excellent recommendation. This is a wonderful series about the awkwardness, the misunderstandings and occasional triumphs of falling in love. A good touch in this volume was a look into the thoughts of Awaya Niki, the beautiful dream girl

adored by protagonist Yoshimatsu Hotaka. We see that this supposedly perfect person has her own insecurities. Hotaka's struggling to decide whether he should try contacting Niki and finally going ahead with it felt so true to life. There is a beautiful scene when Niki and Hotaka realize their mutual feelings for each other. The story proved to be a roller coaster as one minute all seemed to be going well and the next, disaster threatens. If you are looking for a romance with great characters who pull you into their world, Evergreen can be highly recommended.

SUMMER SUCKS!The rumors of Awaya Niki befriending Yoshimatsu Hotaka as a way to get closer to the class hunk, Soga Shunsuke, have reached Hotaka himself. Inclined to believe the worst, Hotaka prepares to accept his pathetic lot in life. But a magical moment under the rain reveals the joyful truth: Niki is not using him and really, truly wants to be friends with Hotaka. Just as Hotaka is starting to think that life is beautiful, his two best friends, Soga and On-chan go at it in a very public confrontation that ends with one storming out and the other reduced to tears. Amidst all the conflict, Awaya Niki suddenly decides to break off her friendship with Hotaka without offering any explanation or reason. Love hurts!
