Yuyuko Takemiya : Evergreen Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Evergreen Vol. 4:

0 of 0 people found the following review helpful. Enjoyable read but will be DisappointedBy alexI was really enjoying the series and was bum out to find out there was only four volumes. The reason I am giving this book an average score is because I Felt like the ending was rush. It could have use at least two more volumes to expand on it. WARNING Very brief SPOILER AHEAD: so they basicallly find out that they are siblings, and have this huge fight. They make up of course and that's it. The main protagonist says in literally in a couple of sentence that they decided to break up and avoided each other at school and keep their true relationship a secret. Dooley noted that the part of them being

related was hinted in the first volume but to have it in such a short note was just awful. 0 of 0 people found the following review helpful. I give you eternity.....and its evergreen
By Anime Lover
As the young couple are starting to get to know each other and share a first kiss a twist in their relationship may bring it to a crashing end before it begins. Why were the two brought together and what links them? This and other questions are finally answered in this the final volume. Well to say the twist was well known in volume 1, but of course it needed to be held onto to give some story elements. Overall the series was good, and it could have been held onto for at least another volume - but i see why they ended it here. 0 of 0 people found the following review helpful. and emotional suspense to satisfy almost anyone
By J S
Prior to Takemiya, I didn't think of myself as a romance fan. Regardless of your typical tastes, her works pack enough humor, romance, and emotional suspense to satisfy almost anyone. This series is short, but even Hitchcock would have been jealous of her ability to pull you in and then throw you for a loop.

By Yuyuko Takemiya, the bestselling author of the Toradora! franchise, Evergreen combines bold and energetic artwork with a character-driven storyline that features a disabled protagonist in a deeply touching, yet hilarious, coming-of-age love story.
TO YOU, I GIVE ETERNITY
A brainy manga club captain and a beautiful swim clubs ace seem like an improbable match. Yet despite their differences, Hotaka and Niki find that they have deep feelings for each other. Short after Nikis confession, the two excitedly set their first date. They agree to go to a summer festival together. But shocking revelations about Nikis true identity will drastically affect their relationship, in this heart-wrenching conclusion to the Evergreen series.
