The story is interesting, and the book remains true to WH40K canon. 0 of 0 people found the following review helpful. Great graphic novel of the Warhammer 40K universe! By Don A. If you are into the Warhammer 40K genre or just a beginner, this graphic novel

will impress you! Great but dark story line combined with excellent artwork gives you a feel for this universe where there is no peace amongst the stars, only an eternity of carnage and slaughter, and the laughter of thirsting gods!0 of 0 people found the following review helpful. great conditionBy BradyMust have missed the part about it being a comic book. Book was in great condition.
