The award-winning Vertigo series continues with a new introduction by former DC Comics President and Publisher Paul Levitz, and a special sketchbook section by series artist Mark Buckingham. Imagine that all the characters from the worlds most beloved storybooks were real, and living among us, with all of their powers intact. How would they cope with life in our mundane, un-magical reality? The answer can be found in FABLES, Bill Willingham's celebrated reimagining of the venerable fairy tale canon. From Snow White and the Big Bad Wolf to Goldilocks and Little Boy Blue, the folk tales of old are reborn here as exiles living in the magically camouflaged New York City neighborhood of Fabletown. FABLES: THE DELUXE EDITION BOOK TWELVE includes the worlds-shaking events of Super Team and Inherit the Wind, as well as the pivotal tales The Ascent and All in a Single Night from FABLES #101-113.

About the AuthorBill Willingham has been writing, and sometimes drawing, comics for more than twenty years. During that time he's had work published by nearly every comics publisher in the business and he's created many critically acclaimed comic book series, including Elementals, Coventry, PROPOSITION PLAYER and of course the seminal Vertigo series FABLES, as well as its spin-off series FAIREST, JACK OF FABLES and THE LITERALS. His work has been nominated for many awards, including the Eisner, Harvey and Ignatz comic industry awards and the International Horror Guild award. He lives somewhere near a good poker room.
