Jody Houser, Louise Simonson : Faith Volume 3: Superstar before purchasing it in order to gage whether or not it would be worth my time, and all praised Faith Volume 3: Superstar:

0 of 0 people found the following review helpful. Love these booksBy Poison IvyGreat read and a good comic character.0 of 0 people found the following review helpful. Faith Is My Favorite SuperheroBy HeatherThis series is constantly showing me why Faith is my favorite superhero. This volume definitely got a bit more intense and dark. There was less humor, but I don't see that as a bad thing because we got to see Faith be a bit more vulnerable. I think

the fact that every volume shows a new side to Faith is so great because as I keep reading she becomes more of a realistic whole character. I cannot recommend this series enough.

FIGHT AND FLIGHT! As Los Angeles high-flying protector, Faith has inspired the dreams of an entire metropolis. Now get ready to meet its worst nightmare! When an escaped psiot prisoner starts tearing through the streets, Faith must stop her fiery rampage before all hell breaks loose! But this isn't just any ordinary threat. Not only can this empowered escapee drain the energy of everything in sight, she's one of L.A.'s most controversial pop stars to boot! Valiant's chart-topping superhero is about to add a major new player to her frenemies list, courtesy of breakout writer Jody Houser (*Mother Panic*) and acclaimed artists Meghan Hetrick (*Red Thorn*) and Marguerite Sauvage (*DC Comics Bombshells*)! Plus: legendary writer Louise Simonson and Harvey Award-nominated artist Pere Prez present history in the making as they bring together the leading female hero in comics today with the first female nominee from a major political party for a presidential milestone like no other!
