Isaku Natsume : False Memories, Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised False Memories, Vol. 1:

4 of 4 people found the following review helpful. Great ReadBy moonlightI was a little worried when I bought this manga. only showed a short preview, and I couldn't find this book online. I like reading yaoi manga that have, at least, a few sex scenes. So, I took a chance, and I bought this manga. I really like this book. There are hints that they both still have deep feelings for each other. There are some sex scenes, but they don't show a lot. However, their expressions are so cute. I read this two times, and I can't put it down. It is very cute, and very suspenseful. Especially at the ending- I recommend buying volume 2. Overall, it's a great yaoi manga.16 of 17 people found the following

I have read BL titles since I was a college student and have books from every B.L. publisher in the U.S. (most of them have since gone out of business leaving more than one series incomplete). Because of that, I can seriously say that suBLime (Viz) has put out some of the best looking books in the market. All of the books have had a first page color insert and the text contains minimal to no grammatical errors. Not only that, but the innuendo/jokes don't feel out of place when reading the graphic novel, wonderful translation. The product is worth the money and I hope it earns a place in your bookshelf. The story itself is not very original to the BL world, but the way Natsume narrates and illustrates it is heart warming and inspired. The characters are true to their feelings and straight forward, making this a lighthearted read. Nakano and Tsuda, the main characters, surprisingly meet each other at work after ten years. This was not a pleasant meeting for Nakano since he feels Tsuda betrayed their friendship in the past and thus starts their story. One of my favorite things about this book is that the story is told from both characters point of view and gives you, the reader, insight about their actions and emotions. The second volume is listed for 2014 (so worth the wait), so this is only the beginning, The book does end in a cliffhanger (love rival?!) but I expect we will see a resolution to this story by the second book. I'm sure that any Natsume fan will buy this title without thinking, but if you are new to her, please give her a chance. You will fall in love with her stories. Her characters have some of the funniest facial expressions out there and she conveys a lot of emotion through them. I can only hope suBLime keeps putting out more wonderful titles like this. And more Isaku Natsume, please!

I absolutely adored both our characters, and loved seeing their relationship change. There is sex, so if you're looking for that you won't be disappointed. The characters' expressions are fantastic, and I love the way the simple art style still manages to convey so many different emotions. I fell in love with every single character by the end of the series, even the side ones.

The latest series from the author of fan favorite Devils Honey. Although they were best friends in high school, Nakano and Tsuda haven't talked in ten years. Which may have a little something to do with the fact that not only were they more than best friends, but also that Tsuda broke Nakano's heart, leaving him to pick up the pieces. Now that they've been thrown back together thanks to a work project, Nakano is determined to put the past behind him, and both men decide to keep their relationship strictly professional. The question is, can they? Reads R to L (Japanese Style) for mature audiences.

About the Author Isaku Natsume's previous works include Devils Honey, Dash!, Tight Rope, and her debut title, No Color. She has published doujinshi (independent comics) under the circle names "139" and "Cheke-rara." Born in July, she's a Leo with an O blood type.
