Matt Fraction, Christopher Sebela, Karl Kesel, Lee Allred : Fantastic Four by Matt Fraction Omnibus (Fantastic Four By Matt Fraction Omnibus: Marvel Now!) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fantastic Four by Matt Fraction Omnibus (Fantastic Four By Matt Fraction Omnibus: Marvel Now!):

0 of 0 people found the following review helpful. Fantastic omnibus, fantastic value, Fantastic Four!By M. L. HansonWhat an omnibus! Modern take on the classic, original superhero foursome.0 of 1 people found the following review helpful. Good transgender representation.By maxwellI kind of expected a mediocre read from what reviews I read and man was I wrong! It's pretty eccentric and out there but that's what I want in the fantastic four. It also has a transgender character which I absolutely adore.1 of 9 people found the following review helpful. I like it, but whatever I guessBy Brandon ShanksI thought it was good enough, I've read better, but I enjoyed it. I'm a fan of Fantastic Four and Mike Allred's art, so when I heard about the new FF series drawn by him, I decided to pick up the first couple issues, but I never caught up on it. I then saw this a couple of months ago, and decided to save up some money to add this to my Fantastic Four collection. I enjoyed but the Fantastic Four and the FF parts (The FF stuff was better) But some of the stuff was dull, irritating, or just plain annoying, like Val near the end of the story who was really whiny, and Ant-Man just beating up Doom, simply because (though I thought the actual reason was admittedly cool), and some other stuff. But over all I enjoyed it, but I see why people don't.

When Reed and Sue decide the family needs to relax, they take Ben, Johnny and the kids on a year-long vacation - through all of infinite time and space! And in the absence of Marvel's First Family, a handpicked substitute FF - Ant-Man, Medusa, She-Hulk and the new Ms. Thing - stand ready to guard the Earth. What could possibly go wrong? As Reed Richards struggles to hide his true motivations and the Future Foundation reacts to their mentors' replacements, Doom the Annihilating Conqueror rises! Can Reed cure the disease that's killing the team? COLLECTING: Fantastic Four (2012) 1-16, 5AU ; FF (2012) 1-16; Marvel Now! Point One 1
