**Shinjiro : Fate/Zero Volume 5** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fate/Zero Volume 5:

1 of 1 people found the following review helpful. All action this time.By James B.The fifth Volume of cover anime episodes 7.5 -9.5. While I am a little frustrated at the slow pacing, I am glad that the manga provides more background and world building exposition.This volume is pretty much all action for those who were missing it. Caster fights Saber and Lancer, Kirei fights Irisviel and Maiya, and Kiritsugu fights Kayneth. The first two fights on that list were flawless, but I thought they gave Kayneth a few too many cheesy facial expressions in that fight. The whole thing ends with a backstory issue for Lancer, and a 'bonus' comedy issue of the Master's daily lives, which was hilarious. Here's looking forward to the banquet of Kings.

Two desperate hunts stalk the dark woods that shroud Einzbern Castle, as Lancer and Saber confront the hideous sorcery of Caster, incarnation of the fiendish Gilles de Rais, while Irisviel follows Maiya in search of the master magician Kirei. Is mage killer Kiritsugu risking both his wife and his mistress in a cold-blooded scheme to assassinate Kirei . . . ?
