I only expected a Tyrese Short Story on his background and what not, but it also contains a Morgan Jones, Michonne, and Governor story! I had no idea they were in there. You can read this book before you even read the actual comics. They are really great, love the graphics. I really recommend this to anyone who is into the Walking Dead. 0 of 0 people found the following review helpful. Great By anthony I am a new fan of graphic novels because of The Walking Dead. We have the compendiums but it is so hard to wait for new issues. That is my only problem with this. 0 of 0 people found the following review helpful. Always 5 stars in my eyes By Becca 5 stars always for walking dead :)

This special Walking Dead issue contains a new Tyrese short story, who made his television debut in The Walking Dead Season 3! It also reprints short stories featuring Michonne, The Governor and Morgan. This special issue is a must-have for Walking Dead fans--none of these stories will be reprinted in the trade paperbacks!
