Chuck Palahniuk : Fight Club 2 (Graphic Novel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fight Club 2 (Graphic Novel):

1 of 1 people found the following review helpful. A fun read and a bit of a meta-fiction tale.By Aloysious Novak Jr.A wild read. However, I was a bit disappointed by the author putting himself into the story line. It just seemed a cheap

writing trick. The rest of the story is okay, a bit convoluted but easy to follow. I'm glad it was released as a comic book instead of a novel. I don't think the writing would have held up in novel format. I like that the author referenced the original book and poked a bit of fun at the film. (I actually enjoyed the book better than the film, and I loved the film.) That all being said, I'm happy with my purchase, the book is of high quality and I look forward to revisiting it at a later date. So if you're curious as to the future of Tyler Durden... I recommend you pick this up and read it. 0 of 0 people found the following review helpful. Bright if edgy urban satire By Allen Smalling Palahniuk's most successful novel is a bright if edgy satire on male bonding, male violence, the culture of complaint and our worship of "leadership." It reads well. Some liberties were taken with the movie, but it helped keep this book visible. 0 of 0 people found the following review helpful. AWESOME! By Tabitha B. So entertaining! Before reading this book recently, I have to mention that I have seen the movie years prior and loved it. The movie itself is almost a play by play of the story here. It is dark, funny, suspenseful, and extremely hard to put down. I hate that it is so short, but it did start as a short story before being published as a full on book, so that is kind of a neat fact to take in. The writing is easy to follow, yet fast pace. If you haven't seen the movie this story will still prove to hold your attention and then some! Lots of twists and turns and an interesting development of characters. Must-Read.

Fight Club 2 is available exclusively as a Graphic Novel! Some imaginary friends never go away . . . Ten years after starting Project Mayhem, he lives a mundane life. A kid, a wife. Pills to keep his destiny at bay. But it won't last long, the wife has seen to that. He's back where he started, but this go-round he's got more at stake than his own life. The time has arrived . . . Rise or Die. New York Times bestselling novelist Chuck Palahniuk and acclaimed artist Cameron Stewart have collaborated for one of the most highly anticipated comic book and literary events of 2015--the return of Tyler Durden. The first rule of Fight Club 2 might be not to talk about it, but Fight Club 2 is generating international headlines and will introduce a new generation of readers to Project Mayhem. Praise for the comics that comprise Fight Club 2: At turns deeply poignant and very funny, Palahniuk's freakish fables capture a twisted zeitgeist and add an oddly inspirational and subversive voice to the contemporary canon. In the post-9/11 present, a hyperactive, Internet-obsessed, war- and recession-weary America apparently needs Tyler again. THE ATLANTIC The book is fantastic, my highest recommendation.... Excellent work by Cameron Stewart and David Mack, and by our awesome friends at Dark Horse Comics. Brian Michael Bendis If Tyler Durden needed a resurgence, there's no time like the present for his return. Fight Club 2 is a comic that taps back into everything great about the source material, and one that makes Tyler Durden's warm nihilistic embrace a welcome draw back into a familiar world of cynicism, violence, and anarchy.... Tyler Lives, and I couldn't be happier by the prospect of more bedlam. NEWSARAMA Palahniuk is delivering a worthy sequel to his most beloved story. THE NERDIST Entertaining. COMIC BOOK RESOURCE Excellent. THE BEAT An amazing piece of work. You do not want to miss out on this. COMIC VINE Perfect. FORCES OF GEEK We have a worthy sequel on our hands. A must read. COMICOSITY Cameron Stewart truly outdoes himself on every level in this book. BLOODY DISGUSTING Clever and beautiful. COMICS ALLIANCE

About the Author Chuck Palahniuk's ten previous novels are the bestselling *Fight Club*, which was made into a film by David Fincher; *Survivor*; *Invisible Monsters*; *Choke*, which was made into a film by director Clark Gregg; *Lullaby*; *Diary*; *Haunted*; *Rant*; *Snuff*; and *Pygmy*.
