She LOVED the Figment ride, and read the entire graphic novel when we got back to out hotel that night! So of course when we saw that the second one was available, we had to get it for her. She loves it just as much (if not more). Woot!0 of 0 people found the following review helpful. It only takes a "Spark"By Customerwhile note as good as the first book/series it is a nice continuation of the story1 of 1 people found the following review helpful. you will enjoy this. fan of Figment, you will enjoy this. Just wish I knew when it came out in comic book form.

Figment and Dreamfinder have saved the world...but now find themselves in a time and place not their own! Out of time for over 100 years...old friends reunite, new challenges are met, and a brand new mystery unfolds. Dreamfinder's greatest challenge lies ahead...but will his own legacy be his undoing? Don't miss the sequel to the fan-favorite, sold-out Figment miniseries based on Walt Disney World's beloved 'Journey Into Imagination' attraction. COLLECTING: FIGMENT 2 1-5
