The artwork is consistent all the way through and has a beauty to it in the colors and lines. A great story as well! Loved it!0 of 0 people found the following review helpful. but I ended up reading this before I gave it to him and I loved it!By ReganI bought this for a friend who loves Figment. I am not a huge comic book fan, but I ended up reading this before I gave it to him and I loved it!0 of 0 people found the following review

This comic is a must have for any Figment fan. The artwork was done beautifully and gave a real in-depth and breathtaking view upon the landscape of the comic. The story was amazing.

The next great Disney adventure is here--starring one of Disney's most popular characters! Dive into a steampunk fantasy story revealing the origin of the inventor known as Dreamfinder, and learn how one little spark of inspiration created a purple dragon called Figment! Our daring duo explore the realms of imagination, finding friends and foes alike--while back on Earth, a clockwork army assembles under the command of the frightening force known only as the Singular! And when Clockwork Control invades London while the intrepid explorers are trapped within the Nightmare Nation, the only obstacles standing between the Singular and total domination are Dreamfinder, Figment and their newfound friends! Acclaimed and uniquely talented creators Jim Zub (Skullkickers) and Filipe Andrade (CAPTAIN MARVEL) give a Marvel spin to Epcot's mind-bending attraction, Journey into Imagination!
