Grant Morrison : Final Crisis (New Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Final Crisis (New Edition):

What happens when evil wins? That's the question Superman, Batman, the Justice League and every being in the DCU have to face when Darkseid and his otherworldly legion of narcissistic followers actually win the war between light

and dark. Featuring the deaths and resurrections of major DC characters, FINAL CRISIS is more than your average multi-part event-it's a deconstruction of Super Hero comics and a challenging, thought-provoking take on the modern, four-color icons. This new edition includes story pages from Batman #682-683 in addition to Final Crisis #1-7, Superman Beyond #1-2 and Submit #1.
