Ron Marz : First Born/Broken Trinity Deluxe Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised First Born/Broken Trinity Deluxe Edition:

4 of 4 people found the following review helpful. This packs quite the package and quite the punchBy HuskrowI've started getting into comics just recently, and I just fell in love with the characters and themes of Top Cow comics. I wasn't sure if bringing all of the characters together would tell a good story or not, but it truly does. The characters aren't underused or mistreated in any way.I also purchased this because I'm an illustration major at art school and

something like this could be good inspiration for me. The art is all that fancy airbrushing photoshop craftiness. When you get to the huge action pieces, the art is just jaw-dropping. Everything looks powerful and fierce. I purchased this used, so it didn't come with the poster of the cover, but who cares? For what I paid for, I got a massive highly stylized, strongly bounded art book with so much to offer and is probably my best and favorite purchase all year. 8 of 9 people found the following review helpful. The Definitive Top Cow Graphic Novel! By Dax S. Torres Once upon a time I was a Top Cow Fan. I stopped after realizing the story's were not as engaging as the art that depicted them. My interest was peaked however when Top Cow announced that Ron Marz would be handling the writing of their flagship title. I waited a bit for the first 2 TPB's and upon buying them I was hooked again on the adventures of Detective Pezzini. Shortly after Ron debuted Danielle Baptiste, the woman who would replace Sara as the Witchblade bearer. Why was the change made? Because Sara was "Pregnant". Which leads into the first half of the Broken Trinity Deluxe Edition. The 3 part saga with tie-in issues are beautifully illustrated by Stjepan Sejic (for the First Born Issues) and by other talented artists for the tie-ins. The story then goes to the sequel, Broken Trinity which is again illustrated by the amazing Mr Sejic. The three Broken Trinity Tie-ins once again are placed in between the series issues so you can see what else is going on with the main characters. The deluxe (over sized) hardcover comes with a slip case, a poster of the gorgeous cover by Mr Sejic and the book itself. A must for every top cow fan. If you have heard of this series and are considering jumping on, this is the book for you, trust me.

The First Born/Broken Trinity Deluxe hardcover collects all three issues of First Born, as well as the Harvey Award-winning tie-in issues of Witchblade #110-112. This edition also features the previously uncollected First Born: Aftermath, making the entirety of the First Born epic available in a single volume for the first time. This edition also collects all three issues of Broken Trinity as well as the three tie-in issues featuring the Darkness, Angelus, and Witchblade, and Broken Trinity: Aftermath. Ships in a shrink-wrapped slipcase, with a 24"x36" poster inserted. Hard cover features a wraparound dustcover with an original image by Stjepan Sejic and a lineart poster image printed on the inside dust cover by Kenneth Rocafort.
