Peter J. Tomasi : Forever Evil: Arkham War (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Forever Evil: Arkham War (The New 52):

14 of 14 people found the following review helpful. CharmlessBy Matt ConnerI love stories where all of Batman's colorful villains come out play, such as Hush or The Long Halloween. Arkham War promised to merge this with the long-game strategic planning of No Man's Land, but it failed. Ideas are thrown up and discarded - the Arkham villains divide the city into territories, but before we can even see them ruling, it's dissolved into a chaotic fight scene.

Commissioner Gordon prepares for a difficult rescue mission, but it's done in a page or two without any scenes about how he infiltrates the stronghold. Bane looks like he's killing several villains, but pages later, they show up unharmed but angry. Bane puts on an awesome Batman costume for a couple issues, then stops wearing it without explanation. Combining this with the sickening levels of casual gore coating the pages, and the experience is like watching a boy smash his action figures together, over and over again. Readers deserve better. 1 of 1 people found the following review helpful. very interesting... good until the bane vs batman

By L. Muniz I think they took a short cut in the bane vs batman fight. Bane faced much worse during the other battles he faced during the story arc, but the bat defeated him a little too quick and easy. Not much of a climatic fight. I was left wanting the bat to prove himself. Bane took hits from Croc and did not fall but the bat beat him by knocking him with a statue... Hmmm? Not sure it was a good end or bane's defeat by the bat. Just my thoughts.

Line

By W C The story is exciting and really draws you in. Everyone suggested it to me when I was looking for a new comic book to read.

Madness and mayhem hit the streets as both Arkham Asylum and Blackgate Prison unleash their prisoners upon the helpless citizens of Gotham. And with no Dark Knight to protect the city, what horrors will follow? Arkham and Blackgate face off in this series featuring Scarecrow, The Penguin, Bane, Killer Croc, and more. Writer Peter J. Tomasi (BATMAN ROBIN) brings you FOREVER EVIL: ARKHAM WAR, detailing the battle for Gotham City in the midst of the epic crossover event FOREVER EVIL from comics superstars Geoff Johns and David Finch. Collects Forever Evil: Arkham War #1-6, Batman #23.4: Bane and Forever Evil Aftermath: Batman Vs. Bane #1.
