Nao Emoto : Forget Me Not 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forget Me Not 3:

0 of 0 people found the following review helpful. Otaku's? By Nathan C. I love the series I can't wait for the rest! Great third book keeps you on your toes. 0 of 0 people found the following review helpful. Five Stars By CustomerLove this series. 1 of 1 people found the following review helpful. Very good By Jude~4/5 This love triangle is apparently a significant story, because it continues through the entirety of this volume, with a cliffhanger. It's hard to watch how this relationship grows, because it hurts all of them. They're all lying to themselves, trying to get through

this, trying to deny their real feelings. And I really like both of the girls, too. I feel like I can relate to Yamaguchi, at least on some level, but I also really like Makino and would want to be her friend. So its hard to see how this situation is going. This series is turning out so much more interesting than I expected. After each volume, Im immediately ready to pick up the next one. I cant wait to see what happens next. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

Just friends? Still carrying the heartbreak of his high school years, Serizawa begins college life. Here, he befriends a quirky classmate named Makino and she sets him on the path to find his very first college girlfriend, Yamaguchi. Supported by Makino, a romance blossoms between Serizawa and Yamaguchi, but is Serizawa's heart really with her or does it belong to someone else? The bittersweet tale of romance and regret that inspired the TV drama!

About the Author Mag Hsu is a well-known Taiwanese writer of television, film, and novels. Her novel *Girlfriends* was the basis for *Forget Me Not*.
