**Joshua Ortega : Frank Frazetta's Death Dealer Deluxe HC** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frank Frazetta's Death Dealer Deluxe HC:

The iconic painting comes to life in this epic tale of dark fantasy and horror! The land of Iparsia is at war. Two kingdoms fight for survival as an ancient evil sweeps across the land. The Death Dealer returns to Iparsia, but will the

dark rider bring an end to the war... or will he bring an end to Ipsaria? Critically-acclaimed novelist and comics writer Joshua Ortega (*The Necromancer*) teams up with cult-favorite artists Nat Jones (*Spawn: The Dark Ages*) and Jay Fotos (*Spawn*) to bring forth the first *Death Dealer* tale fully approved by Frank Frazetta himself!
