**Frank Miller : Frank Miller's Ronin** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frank Miller's Ronin:

"His brutal yet elegant noir renderings, pulpy yet eloquent scripting, and thoroughly uncompromising attitude make [Frank Miller] one of the most distinctive voices in comics." ENTERTAINMENT WEEKLY RONIN is the acclaimed

epic by Frank Miller, the visionary writer/artist of THE DARK KNIGHT RETURNS, 300 and Sin City. In this tale of a legendary warrior, the Ronin, a dishonored, masterless 13th Century samurai, is mystically given a second chance to avenge his master's death. Suddenly finding himself reborn in a futuristic and corrupt 21st Century New York City, the samurai discovers he has one last chance to regain his honor: he must defeat the reincarnation of his master's killer, the ancient demon Agat. In a time and place foreign and unfathomable to him, the Ronin stands against his greatest enemy with his life and, more importantly, his soul at stake.
