Natsuki Takaya : Fruits Basket Collector's Edition, Vol. 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fruits Basket Collector's Edition, Vol. 2:

0 of 0 people found the following review helpful. Volume 1 introduced the emotional and dark but funny members of the Somah Clan. By mistake, Fruits Basket was my introduction to the world of Manga. Volume 1 introduced the emotional and dark but funny members of the Somah Clan, as well as Tohru Honda, the naive and somehow always cheerful main character. Volume 1 gave us the background of this story, but by volume 2, I expected some growth in the characters, and a more developed storyline (this is where my rating of 3.5 stems from). Honestly, I felt at times like I was watching the lives of these characters unfold, VLOG style, only in the form of a comic strip. In volume 2, you

learn just a little bit more about some of the characters introduced in volume 1, but in this volume, you meet three more. I must mention here, though the Somah Clan's family history is supposed to be a secret, I sense that Tohru Honda's friends seem to sense something is amiss. No doubt, the fact Tohru Honda resides with them is a bit off...but her friends definitely detect there is more to her story than what she has been revealed to them. This must be the author's way of thickening the plot (which I am game for, as long as the plot is MOVING).I will not give up on this series as I actually like the characters and their lives are in fact, intriguing, but I hope volume 3 is more interesting.2 of 2 people found the following review helpful. The manga is otherwise fantastic, a great repackaging of a beloved seriesBy Elizabeth Anne ThiemI want to give this 5-stars, but my copy had printing errors on several pages at the beginning, black splotches. At first I thought to return it, but examination of a local bookstore's stock revealed the same problem on all copies. Did anyone else encounter this? Is it present on all copies? The manga is otherwise fantastic, a great repackaging of a beloved series, but I wish it were unblemished.0 of 0 people found the following review helpful. Five StarsBy christa barnhizerMy daughter adores these books. ALL OF THEM.

When she was living in a tent pitched on the Sohma family's land, Tohru Honda's primary concerns were dirt and slugs. But now that she's living with the Sohmas, she's gotten a crash course in magical powers and ancient curses! And as if keeping the Sohma clan secret wasn't bad enough, Tohru has to work overtime to prevent all the jealous girls from finding out that she's living under the same roof as the school prince, Yuki, and the school hothead, Kyo! What new drama will Valentine's Day bring into Tohru's life?!

Do not walk, do not run - fly out and get it. -- AnimeOn DVD.comFrom the PublisherStory by NATSUKI TAKAYA. Anime also available. The #1 Selling Shojo Manga in Japan! #1 most requested Manga in the U.S.! Inspired the Hit Anime!About the AuthorNatsuki Takaya burst onto the manga scene in North America with the publication of Fruits Basket which became an immediate sensation.
