**From Animewild : Fruits Basket, Vol. 14** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fruits Basket, Vol. 14:

0 of 0 people found the following review helpful. GOOD STORY LOVE THE DRAWINGS By J.C. writes Great drawings like this author. Story is sad, sweet, and at times funny. The whole series about support and loyalty of friendship and family. But mostly I think it is about acceptance - real acceptance of who the characters are and will become. I only have 2 manga collections because this isn't my choice for reading but I like this one 'Fruit Baskets' and 'Story of Saiunkoku' manga. I bought these because reading online isn't my preference and I like the art work it is

different for me but I understand common for the genre of MANGA.0 of 0 people found the following review helpful.

Was kind of disappointed.By A.F.It's nice to find out more stuff, but of course there is more mystery. And I didn't like the fact that Rin and Haru slept together, especially since they were so young and didn't even try to wait til marriage (yes, yes I know about Akito's view on marriage and yes I know that they never knew if the curse would ever be lifted),and I'm upset that the author just had to throw that in instead of them just making out. I know that Rin seriously pays for that one later on, and of course that little escapade puts both Rin and Haru in danger, so it wasn't really worth it. I liked Haru until that point. :/ Also Rin is mean to Tohru and still tries to get sympathy from her. That's twisted. Anyway the only thing that seemed to keep me going was the mention of a school play. I'm curious about vol 15 now, just because of that.

Inspired by the hit anime available on DVD, the #1-selling shojo manga in America continues. Rated for teens.
