**From IDW Publishing : G.I. Joe: The Complete Collection, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised G.I. Joe: The Complete Collection, Vol. 1:

1 of 1 people found the following review helpful. No Ordinary JOE or TomeBy BOOTA-san Definition: 1. G.I. Joe = a slang name for someone who is or was in the military; esp. during WWII. 2. G.I. -- is short for 'Government Issue', a descriptive term for supplies distributed by the government. 3. Joe = an ordinary man. G.I. Joe is no ordinary Joe/man -- G.I. Joe: The Complete Collection (Vol.1) is no ordinary book/tome. Much like the toy line of the 80's, my brother and

I were never able to collate every issue of the Joe comic-line either. These hardcover book collections of the classic G.I. Joe comics are nearly library bound quality; sturdy and spectacular, measuring an extensive length of 11x7x1, with re-mastered color on high-quality pages. I recently purchased the first four volumes (x2) after an extended weekend visiting my brother, going over the golden age of toys and cartoons from the 80's, re-living our wonder years, and reminiscing ad nauseum about G.I. Joe and wishing we had read through all of the comics of yesteryears. He was floored to receive the surprise and we have been going back-and-forth constantly over text regarding the stories and characters. It's been like jumping into a time-machine and landing in an 80's time capsule of our childhood. Volume 1 covers the first 12 comic issues plus the "Hot Potato" short-story in glorious presentation, in chronological order, and has held up well to the age of time. There are some 'dated' one-liners and zingers that only reiterate the feeling of nostalgia surrounding every ones' favorite figurines. Issues #1-10 (+ "Hot Potato") introduce you to the G.I. Joe universe and character canon, showcasing the 1982 Series 1 G.I. Joe toy line. If you jumped on the G.I. Joe comic book bandwagon a little late -- like myself, collecting the G.I. Joe regular comic along with "Special Missions" and "Tales" issues here and there, the "Tales of G.I. Joe" were reprinted issues of the first 15 original Joe comics; so this volume contains the first 12 "Tales" stories. Issues #11 and 12 slowly introduce us to the 1983 Series 2 G.I. Joe toy line mixed in with the original Joes. I cannot stress how impressive these graphic novel-like books are; with first-time printed bonus material, a knowledgeable forward, and additional author fun-facts and notes. The only thing missing from these reprints are the old Marvel indices inside and that iconic BW Spiderman headshot (sometimes web-slinging body-shot) or the UPC code on the cover. For completists, there does exist a limited edition "Red Label" Vol.1 copy numbered to 250 signed by Hama Trimpe with slipcase. 14 of 15 people found the following review helpful. Wow and Double-WOW! By Smitty I've been reading comic books for 35 years and have been a GI Joe fan since 1982. This collection is everything an "old school" GI Joe comics fan could want. Collecting the first 12 issues, along with several pages of previously unpublished background material, the content is nearly outshined by the presentation. By 'presentation,' I mean this book is HIGH quality, exceeding, I think, the DC Archives and Marvel Masterworks-type books. The printing and color are crisp and super clean. If you are on the fence about buying this, don't be. You will be thrilled with your purchase. This is the definitive treatment to a classic! Yo Joe! Smitty 0 of 0 people found the following review helpful. Great Classic stories of G.I. Joe to all those who enjoy Hasbro's favorite shows of the 80's. By Anthony This is the best G.I. Joe book yet. It contains the original comics of the year 1982 of issues 1-12 plus a special mission issue. If there any fans of G.I. Joe out there on finding a perfect collection of the original classic G.I. Joe stories or a gift for kids, this is the book you would rather get. It has reprinted and more presentable than the original comic book version.

Presenting the full run of original A Real American Hero placed into proper reading order. This premiere volume includes extras like character and vehicle files, the "Hot Potato" short story, and an introduction by Mark W. Bellomo detailing the process used by writer Larry Hama to develop the world of G.I. JOE. Collects issues #112 of A Real American Hero.

About the Author Larry Hamais a writer/cartoonist/illustrator/actor/musician who has worked in comics, tv and film. In comics, he has written, edited or drawn for Avengers, Blaze, Nth Man, The Nam, Conan, Batman, Wonder Woman, Bizarre Adventures, X-Men, Spider-Man, Daredevil, and dozens more. He is best known as the writer of Marvels G.I. JOE comics in the 80s and as the writer of Marvels Wolverine in the 90s. Recent script credits include Batman: Shadow of the Bat, and Wonder Woman for DC Convergence, G.I. JOE: Origins and G.I. JOE: A Real American Hero for IDW, and Call of Duty: Black Ops for Dark Horse. Recent art credits include breakdowns for DC Comics Deathstroke. His illustrations and cartoons have appeared in National Lampoon, Esquire, New York, and Rolling Stone. He has appeared on Broadway in Stephen Sondheim's Pacific Overtures and on TV in M\*A\*S\*H, SNL, and Another World. He lives in New York City.
