Missions #9 is MISSING, with no explanation from IDW. Not a Complete Collection as advertised. By J. Exum I must say right up front that in general I LOVE this ongoing series collecting all of the old Marvel Comics. There's only one problem, and it's kind of a big one... this volume fails to include issue #9 of Special Missions. For a series of [expensive] hardcover collections entitled "The Complete Collection", this is an unforgivable oversight. This is easily a 5-Star series otherwise, but I've contacted IDW via email and their Facebook page a number of times since the release of this book and still haven't received ANY reply giving a reason as to why Special Missions #9 was omitted. Sure, I can hold on to my old copy of SM #9, but that sort of defeats the entire purpose of investing literally hundreds of dollars in the ultimate, comprehensive G.I. Joe Hardcover library. If IDW ever decides to address this issue [by either reissuing a corrected version of Vol 8, or including the missing issue in Vol 9], I will happily update my review from 1 Star to 5 Stars.

Presenting the full run of original G.I. JOE comics in proper reading order. Includes an introduction by Mark W. Bellomo, issue notes, and vehicle gallery. Collects issues #6876 of A Real American Hero and #1013 of Special Missions. NOTE! The book cover is designed to have a distressed look, so stains are a special effect for a weathered look .
