Hiroya Oku : Gantz Volume 10 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gantz Volume 10:

0 of 0 people found the following review helpful. Great art and storyBy Wayne MarkleyGreat art and story. This is an entertaining science fiction series that has a lot of twists and turns. It runs a bit long with 37 volumes, but it is worth the effort to read them all. There is occasional nudity so not for younger readers.2 of 3 people found the following review helpful. Hiroya Help Me, Gantz:O Please Make Dark Horse ReprintBy CustomerI can excuse the price of Gantz vol 3 due to the volume containing the build up to a mission and not much of the 2nd arc. However volume 20 being at 69.99 as of the time im writing this is a shame, this volume is necessary for you to continue onward with the

series seeing as it's the end of phase 1. This volume is just too expensive and is usually the stopping point of most people's want to collect Gantz from what I've seen. 0 of 0 people found the following review helpful. Five Stars By K. Olsen The best series.

Plots are starting to twist in the Gantz storyline! Has Kato disappeared forever? Who is this cute girl Kei's falling in love with? Does someone on the Internet know the secret of Gantz? And who is this huge fighter roaming the streets of Japan looking for the greatest fighting challenge? Well, the challenge he's looking for might come from the least likely of physical specimens. So far, the story of Gantz knows few bounds when it comes to plot twists and a constantly changing cast. When it's kill or be killed against a universe full of odd and resilient aliens, a lot of characters get killed off quickly. So far the most constant, and consistently evolving, character is Kei, a classic antihero. The question begins to set in... if Kei succeeds in fulfilling his contract with Gantz, will he be willing to give up these superhuman powers he's begun to take for granted?
