Hiroya Oku : Gantz Volume 17 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gantz Volume 17:

2 of 2 people found the following review helpful. The Awesomeness ContinuesBy Joshua M. BrooksThis volume was so action packed! There are so many gory fight scenes as well as a sex scene lol. Many of our Gantz characters die in this volume but that is to be expected, but they kill tons of aliens and a couple of boss aliens. Fans of Gantz won't be disappointed in this volume but I don't want to give away too many details on what happens in it, so buy the book and enjoy :D0 of 0 people found the following review helpful. Five StarsBy K. OlsenThe best series.

It seems like every new alien creature the Gantz gang fights is just practice for another, tougher, more demented future alien battle. Every new alien means another crew of newly dead citizens, reborn as alien hunters. Except for those who survive for the next battle. And Kei is the only one who's survived since Volume One. Our anti-hero keeps adding new dimensions to his immature character, and this volume doesn't spare him a learning experience. Imagine aliens who can transform into anything, including giant flies, elephants, or spitting images of your compatriots. Suffice to say, this volume begins a scary new chapter in the Gantz storyline. Oku Hiroya has a seemingly endless imagination for weird, scary alien creatures, and the man is just getting started!
