**Hiroya Oku : Gantz Volume 2 (v. 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gantz Volume 2 (v. 2):

0 of 0 people found the following review helpful. Haven't read, but arrived in good conditionBy John B.Waiting to get the whole series before I read them, after I picked up vol.3 - vol.14 for 75% off in a sad book closure sale, I've been wanting the rest. It arrived well, and the condition is well worth the price. The series looks out of control and better than the various movies and anime, so it should it be worth down the line. Also copious amounts of nudity and violence, both the artist seems to be well versed in. The tech and action as are good as you can expect as well.0 of 0 people found the following review helpful. Story is heating up.By Joshua PambidThis volume was action oriented but

still had time for drama. Plus I think it must have been stored by soap in the warehouse because it smelled like lavender every time it flipped pages.0 of 0 people found the following review helpful. Four StarsBy Colavito LucaGood

"Your lives are over. What you do with your new lives is up to me!" This was the warning given to a diverse group of citizens who were teleported to an inescapable condo by an ominous black orb calling itself Gantz. Join best friends Kei and Masaru, the sultry Kishimoto, a stray dog, and the rest of the group as they are unleashed on the streets of Tokyo to face a terrifying onion alien! Will the weapons and strange suits given to them by Gantz prove to be a lifesaver or a death sentence? Now the group has to fight for their lives, even though they are all already dead!

About the AuthorHiroya Oku is a manga artist who is the creator of Gantz, Zero One, and HEN, all of which have been serialized in Young Jump magazine. His manga often contain explicit violence and gore, as well as sexual situations. He won the second prize of the Youth Manga Awards in 1988, under the pen name Yahiro Kuon. He also designed a character for BandaiNamco's Xbox 360 and PlayStation 3 fighting gameSoulcalibur IV, named "Shura." The author lives in Tokyo, Japan.
